# **A Letter From The Chairman**

Dear All,

I would like to take this opportunity to welcome new and regular players to Areley kings for the coming 2025/26 season.

Our new way of paying annual subs is, on the whole, working really well, Thank you for your support.

After careful consideration the committee have decided to keep the clubs playing subs unchanged for 25/26 season, being an annual subscription of £240.00 or the option of 12 monthly payments of £20 paid by standing order, which we believe is excellent value and the cheapest in the district.

However, due to increasing costs of affiliation and league fees the one of sign on fee will increase to £10 per player, this applies to all players.

We are still working towards a roll out to our adult teams, although at the time of writing this we still have a couple of issues to resolve hopefully this will be sorted before the season starts.

Can I just add a polite reminder that your standing order should be paid on the 1st of every calendar month, if this is a major issue please speak with the Club treasurer or member of the committee.

As you will know everyone at Areley Kings FC are volunteers, coaches, ground staff, committee members, kitchen staff all give their time freely for the benefit of our football; for our club to continue to run smoothly we need more volunteers, we are especially looking for more coaches/managers to take on our youngest teams, we offer training and support, we need help on match days to provide refreshments in our coffee shop, even if you can only offer one day a month this would be great, if you have some free time you can spare please come along, you will be more than welcome

Unfortunately, due to ill health I am still unable to attend games or be at the ground for the foreseeable future but rest assured that Areley Kings FC is always in my thoughts, I wish you all a successful and enjoyable season of football.

Billy
